**MATERIAL WITNESS STATEMENTS:**

Adonys Francisco QUEZADA-Joya and Jose Alfonso TORRES-Gonzalez were advised of their Miranda Rights, they understood their rights and agreed to provide a sworn statement without the presence of an attorney.

**MATERIAL WITNESS #1:**

Adonys Francisco QUEZADA-Joya, a citizen and national of El Salvador, claimed his girlfriend paid an unknown smuggler in Reynosa, Tamaulipas, Mexico 4,000 USD to be smuggled into the United States. QUEZADA's girlfriend was to pay an additional 2,300 USD once he arrived to Houston, Texas. Once in the United States, QUEZADA and his group walked for four hours before being picked up by a vehicle and transported to a flea market. At the flea market, the driver ordered the group to exit the vehicle and board an awaiting black four door vehicle. QUEZADA stated the driver told the group to put their seatbelts on and then took a picture of the group with his cellphone. The group was then transported to the main residence where they were apprehended in. Once at the main residence, the driver opened the rear door to the main residence and showed the group which room they were going to stay in and departed the main residence. Shortly after, another subject arrived and ordered the group to remove their clothes because he was going to wash them. He also ordered the group to keep quiet.

QUEZADA was shown a photo lineup and identified Jose David JIMENEZ-Rivera as the driver of the vehicle that transported the group from the flea market to the main residence they were apprehended at.

QUEZADA was shown a separate photo lineup and identified Luis Enrique DE LEON-Reyes as the person who gave the group orders at the main residence.
